

Laser Coast Championships

October 17th & 18th 2015

Port Kembla Sailing Club invites all registered Laser sailors and their supporters to participate in the upcoming Laser Coast Championships to be hosted by the PKSC and sailed on Lake Illawarra.

Where is Port Kembla Sailing Club?

Port Kembla Sailing Club is located on Northcliffe Drive, Berkeley, on the northern side of Lake Illawarra, in Tuggerah Bay. See attached map or visit:

www.pksc.com.au

Club Facilities

Port Kembla Sailing Club will be open from midday, Friday 16th October 2015. The club will have (limited) designated areas for camping on the club grounds at a cost of \$30/site a night.

All campsites are unpowered; however the Sailing club will be open for the 2 days if you should require power for battery re-charging.

The clubhouse will also be available for (a limited number of) individuals with swags to bunk down for the night at a cost of \$15.

The club has a large grassy area and there will be people on site to assist with camping, the removal of boats and parking. Cost of parking is free.

Port Kembla Sailing Club has a great fully licensed canteen and will be serving food and drinks throughout the regatta. A variety of food will be available including wraps, hamburgers, sandwiches, sausage rolls, pies etc. A café will also provide tea, coffee, soft drinks, cakes & muffins etc. On the Saturday night, dinner will be available at the club for a very reasonable cost.

The club has toilets, showers /change rooms and a wash down area for boats that can be accessed throughout the regatta.

If you are intending to camp at the club or bunk in the clubhouse, please indicate this on your entry form. As camping areas are limited (depending on the number of boat entries), it will be strictly available on a first-in-first-serve basis.

Race area

The racing area for the Lasers will be positioned on the water out the front of the club with a lot of vantage points to watch the racing from the club grounds and surrounding vantage points and cycle ways.

For officials and spectator boats the club has 2 double boat ramps East and West of the club.

Note: As there are no re-fuelling stations on the lake, support boats will have to obtain fuel from nearby Service Station at Berkeley.

Briefings and Official notice boards

All briefings, announcements and official notice boards will be located within the clubhouse.

Storage of Boats

Competitors are able to leave boats on the club grounds over the regatta and are encouraged to make them safe from being damaged and with no valuable items

left in them. PKSC will also have people staying onsite over the regatta should you need further assistance and to help with security of the club and boats.

Maintenance

The Yachtshop is located 2kms to the east of the club and it will be open throughout the regatta should you need any items for repairs or accessories for sailing.

Accommodation

If you are not camping at the club, there is plenty of other accommodation available in the area. It is suggested that you book early.

Below are some listed, and others are listed on our website in the forum section under club notices/local information/Illawarra accommodation;

Oasis Resort – Primbee – (02) 4295 1622

Elsinor Motor Lodge – Kanahooka – (02) 4261 3366

The Berkeley Hotel – Berkeley – (02) 4244 0804

Sovereign Inn – Figtree – (02) 4271 1122

We look forward to welcoming you and your family to our friendly club and wish you all the very best on the water and hope you have a very social time in supporting our club and the Laser Association.

Any further information required feel free to contact Richard Hipsley on mobile # 0408 712 671 or e-mail: president@pksc.com.au

Kind regards,

Richard Hipsley

President PKSC
