

## Trailer Parking & Coach Boat Information - Belmont 16s

### Boat Trailer Parking

The Belmont 16ft Sailing Club is an active social club with over 26,000 members who regularly use the Club's facilities.

In order to ensure our members may continue to use their Club (and park their car!) during the busy time of sailing regattas, we **MUST** ensure that the car park is free of boat trailers.

It would be appreciated if sailors would remove trailers from the car park once boats have been off loaded and store the trailer at their accommodation.

For major large scale events at the Club, the Lake Macquarie City Council has kindly consented to the storage of boat trailers in a specific cordoned area of Laughlin Park (across the road from the Club).

The area allocated for boat storage is the north eastern corner of the park, bounded by Ross, Evans & Tudor Streets and the concrete pedestrian pathway (refer to image). Trailers must only be stored in the cordoned area. When storing trailers within the area, please ensure it is done efficiently so the maximum number of trailers may be stored.

The Club must ensure that all trailers are stored in the designated area, that pathways are kept clear and that there is minimal disruption to the local community's use of the park. Consideration of others is important. We very much appreciate your cooperation in this matter.

# Visiting Coach Information

## Launching

The Club's launching ramp is always busy during regattas launching race management boats so we ask that coach and support boats be launched at one of the local public ramps.

Public launching ramps are available at:

Pelican – End of Naru Rd (off Pacific Hwy)

Pelican – End of Soldiers Rd (off Pacific Hwy)

Swansea – Thomas Humphreys Reserve. End of Channel Street (off Pacific Hwy)

Valentine – Bennett Park. Off Dilker Avenue

Eleebana – NW end of Thomas Halton Park. Off Bareki Road (opposite Moani St)

Eleebana – Warners Bay Lions Park. Off Bareki Road (opposite Glad Gunson Dr)

Further details with a map can be found at <http://www.rms.nsw.gov.au/maritime/using-waterways/boat-ramps-map/>

## Trailer Parking & Storage

Coach/Support boat trailers MUST NOT be parked in the Club carpark. Please do not drive into the Club's car park and park across 3-4 parking spaces. During regattas, provision is made to store road trailers in a cordoned section of Laughlin Park directly across the road from the Club. Trailers may be left here, at owners own risk, for the duration of the regatta.

## Re-fuelling

Marks Point Marina (directly south across Belmont Bay from the B16ftSC) offers fuel, ice, a chandlery, as well as mechanical & shipwright repairs. Re-fuelling is open from 7:00am to 4:30pm daily and payment can be made by cash & credit card (Visa/Mastercard).

Contact them on 4945 4965 or 0409 789 911 (after hours) and via [info@markspointmarina.com.au](mailto:info@markspointmarina.com.au). Visit their website: [www.markspointmarina.com.au](http://www.markspointmarina.com.au)

## Mooring/Berthing

Private boats may be moored on the Club's jetty closest to the clubhouse. They may be moored overnight however, this is entirely at the owners own risk. No supervision nor security is provided and please be aware that the jetties are directly accessible by the general public.

Please be aware that the eastern most Club jetty/pontoon is for use by race management boats during the regatta.

The Lake Macquarie Yacht Club (to the south east of the B16ftSC) have casual marina berths available for private mooring/berthing. Please contact and liaise directly with the LMYC Marina Manager, Michael Buckley on 0400 205 600 or via [boating@lmyc.com.au](mailto:boating@lmyc.com.au)

Marks Point Marina also have casual moorings and berths available, contact details above.
