

**LASER AU-GUST SHORT RACE SERIES 2010**  
**GOSFORD SAILING CLUB**  
**NOTICE OF RACE**

All Laser sailors are cordially invited to Gosford Sailing Club for the Au-Gust Series of pre-season short course races.

The format is designed to give everyone the opportunity to experience as many starts and as much close quarters racing as possible. This has been in use for several years now, and proved to be very popular.

Eligibility:- Anyone, from anywhere.

.

Dates:- Every Sunday in August (1st, 8th, 15th, 22nd, 29th).

Note the series is run on Sundays to encourage greater participation by junior sailors who have other sport on Saturdays in winter.

Times:- 1pm first start, last start not after 4pm. (Or when we all get tired!)

Racing:- Trapezoidal, one lap races.

Three minute countdown.

Minimal time between starts.

As many races per day as possible.

Series:- 60% of the races to count, so you can rock up a little late, sneak off early or miss a week and still qualify!

Prizes:- Yes, for excellence, for effort, and for no apparent reason! (And a free sausage sizzle at the end of the series.)

Fees:- \$5 per race or \$20 for the series and \$2 per race and \$8 for the series for juniors.

Questions? Ask Kevin Phillips 0427146400 or email [kevinphillips@telstra.com](mailto:kevinphillips@telstra.com).

We'd love to see you for the whole series, or for as many races as you fancy.
