

RIGGING + CAR AND TRAILER PARKING FOR ILCA METRO CHAMPIONSHIPS

Little Manly Park and Beach have been reserved by MYC for rigging space and storage of boats on Saturday night for the Metro's. This is a 5 minute walk from Manly Yacht Club (MYC). There are toilets/showers/café/grass and beach rigging areas available. The rigging area is not for exclusive use by the regatta and the public has access to the area as well. Please be mindful of this when rigging. To drop your boat off to the rigging area, it is best to drive your trailer to the boat ramp and drop your boat / dolly off at Little Manly (SEE MAP). There is very limited parking in the Little Manly area. There are only 5 spots for car+trailer parking at the boat ramp which has a 12 hour limit and is usually full Saturday mornings. The local streets around MYC and Little Manly are time restricted to mostly 2 hours and patrolled. **MYC has arranged for car parking and trailer storage for \$20 per DAY (TRYBOOKING or CASH) at ST PAUL'S CATHOLIC COLLEGE – 106 Darley Road, Manly. Entry is via (GATE 4) 1st GATE on the right into the school. This is a 8 minute walk from Little Manly rigging area.**
